Happy Paws™ Ice Melt

Benefits:

- Safe for use with pets
- Pellets that are tracked inside will not stain carpeting or floors
- Can be vacuumed
- Low corrosion: less corrosive than tap water
- Safe for concrete: the safest deicer for concrete, even new concrete cured at least 28 days
- Excellent inhibitor: reduces chloride corrosion
- Safe for the environment: readily biodegradable, low toxicity
- Residual effect: requires fewer applications than other common deicers

Application:

- Early application works best
- Apply at the same rate as salt but not as often
- Apply in a uniform pattern - Pellets release heat and burrow to the surface: does not create a flowing brine
- Plow, shovel or broom once bond is broken
- Re-apply when new accumulation shows 1st tendency to bond

Handling:

Store in original container. Avoid excessive moisture which may cause caking. Excessive handling may cause dustiness.
