

SubZero 20™ Ice Melt

20% CMA blend

BENEFITS

- Our own time-tested blend
- SubZero 20™ is a proprietary blend of 20% CMA along with our ice melt treated with Salt Saver™ liquid enhancement.
- For commercial and home use on sidewalks and driveways
- The blend retains the best qualities of each of its ingredients
- Works faster and longer
- Especially good for sleet and freezing rain
- Apply early in the storm to prevent snow/ice bonding
- DUST FREE – does not create harmful dust that can cause breathing irritation

PERFORMANCE

- Works down to -23°F
- Less damaging to vegetation than other deicers
- Won't damage flooring or carpets
- Apply 5-7# per 1000 square feet

(EXTREMELY SAFE)
